Small Wonder December Newsletter

Happy December! It is looking to be a fun and memorable holiday season here at Small Wonder!

We invite everyone to join us on **Thursday, DECEMBER 19TH** from **7:00 to 8:00 p.m.** at the **TRADE CENTER** for an evening of holiday fun! Please have children there at 6:30. We will be having our Christmas Program and Party! The children in the Green, Blue, Purple, Yellow, and Preschool rooms will be performing some holiday songs for your enjoyment. Then immediately following the performance we invite you to stay for some refreshments, a cookie decorating station, and a special visit from Santa! Every child who attends will receive a gift from Santa and every child enrolled in Small Wonder will receive a gift from their teachers! We hope you will join us for this exciting evening, our littles have been working hard on their songs!

I've always thought that I have the best job and I'm not alone, I know our staff here at Small Wonder would agree with me that playing with and caring for your children is not only very rewarding but also really fun! This is especially true around the holiday season! The joy and wonder that we enjoy each day in working with your children multiplies ten fold during this time of year!

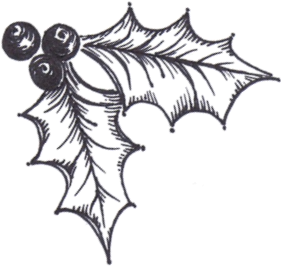

Thank you for sharing your most favorite people in the world with us each day—your children. We do not take for granted the trust and relationship that goes hand in hand with the work we do. We could not fulfill our passion and our mission without you!

~ Wishing you Happy Holidays and a Prosperous New Year!

Winter Reminders

- Please take a few minute to label *everything*– especially your child’s boots, coats, hat, and mittens.
- It’s that time of year where the germs are running a muck, please remember to have your child wash their hands each day upon entering the building. This helps us start the day healthy!
- Lastly, when entering our Infant and Mobile classrooms we would ask that you please remove your shoes , it really helps to keep the snow, mud, and ice melt off the floors. The children are at an age they spend a lot of time on the floor and put things in their mouth!

Thank You for Joining Us!

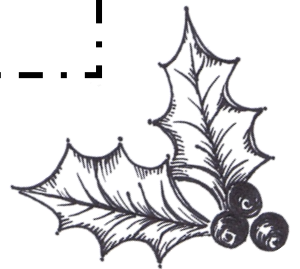

Thank you to all of you who were able to join us for our Thanksgiving Dinner. It was great to have you with us! We enjoyed having our families celebrate with us!

SmartCare App

We know the app can be a pain!

If you are not receiving information from you childs classroom on a regular basis, uninstall the app and then reinstall it. We’ve noticed a lot of times that fixes the hiccups it has!

If you have questions or need help ask us! We are more than willing to help out!
