February 2020 News from the Orange Room

We would like to welcome some new friends to the Orange Room! We are so excited to have Torin, Marlee, Kelan, and Jaxson join us. With transitions comes some new behaviors. Be patient as your child adjusts to a new environment, new caregivers, and new peers. We will do our best to help you in our new classroom. Your child is precious to us, and we will be giving lots of love and hugs.

This month we will be working with the numbers 8 & 10, colors red, pink, and white, our letters are H & L, and our shape is a heart.

Our goal this month, weather permitting, is to get outside more to play and explore. If we can't go outside, we will be doing lots of exploring, art and playing in our room.

Don't forget that the Orange Room will be having a Valentine's Get Together and you are invited to join us at 3:00 for our party. You can bring Valentine's to share with the class if you wish. We will have a treat sign up by our classroom door close to Valentine's Day.

Love our Orange Room teachers,

Miss LeAnna, Miss Alesha, and Miss Ellie
