

Turquoise Room News

February 2020

Woohoo February is here! This month we are learning about food and nutrition. Our letters this month are A, Z, V, and our number is 9. And our shape is the heart for Valentine's Day of course. We will be having our Valentine Party on Friday, February 14th in our classroom. We will have a signup sheet posted on our door for treats. The party will be from 3:30-4:30. IF you would like to bring Valentine's just have them signed your "child's name". It makes it easier for the parents.

Just a friendly reminder- we do go outside in the winter so make sure your child has the appropriate winter wear on. We like to explore our surroundings and have new experiences every day. Thank you for your cooperation.
