## **Time for some FUN:**

We love to have fun while learning in our classroom! We can't have February without having Valentine's Day Parties! We will be having our parties February 14<sup>th</sup> (Monday-Wednesday classes) and February 15<sup>th</sup> (Tuesday-Thursday classes). The parties will be held during each class time! The kiddos are allowed to bring in a decorated box if you wish, but we will also be decorating paper bags in our classroom. Each child is allowed to bring in Valentines to share with their classmates, have them fill out their name and leave the to: blank. 😊 There will be a treat sign up available outside our classroom.

## **Looking Ahead:**

During the month of February we will be learning a lot and keeping busy! We are going to be learning about dental hygiene and continue our Jungle study. We will also work on the shape heart and the numbers 10-20 and start to introduce numbers 21-30.
