

February

February 2020 Yellow Room Newsletter

January flew by so fast!!! It was a great month with lots of new things happening! We started the month with a brand new rearranged room! The kids and teachers LOVE it!! Miss Anna has also joined the Yellow Room and we are so excited to have her! We have been having transitions happening all over the Pre-K Center and we are lucky to have 6 new friends joining our room! The month of January we continued our Creative Curriculum unit on clothing. We did many songs, art projects, and activities that had to do with clothing, measuring, and pattern making. We learned how to say and sign the letters S, C, A, and F. A huge thank you to all the parents that have been sending art donations to our room! Art is our most used center in the Yellow Room!

We have a lot of things planned in the Yellow Room for the month of February!! February is "I love to read" month. We are going to take a trip to Garfield School and Mrs. Bateman's first grade class will read to us! We will also be going to the Police Station to see all the exciting things there!! The Yellow Room is partnering with the High School FACS class and we will make our own bean bags. We will be cutting them out in class and taking them to the high school and the high school students will help us sew them there!! Our Valentine's Day party will be in the morning on February 14th. We will have a treat sign-up sheet with more information coming out on it soon.

This month we will be doing the Creative Curriculum study of tubes and tunnels!! If you have any empty paper towel rolls or toilet paper rolls at home we would love to have them! As always please be sure to send winter clothing with your kids because we go out as often as we can! If your child is celebrating a birthday and you would like to send treats please make sure they are store bought and nut free.! If anyone ever wants to come join us in our room for an activity we would love to have you!! Have a Great Month!!
