

Pink Room

February 2020

Welcome to February!!

Our theme for the month will be Friendship and Valentines. Our letters for this month are A, V, and Z, our number is 10 and our color is pink. Not surprisingly, the shape for February is a heart.

We will be celebrating Valentine's Day on February 14th with some snacks. If you would like to bring Valentine's, please do. You can either leave them blank, write from: (your child's name)

Some other events this month: President's day is the 17th and it is also black history month, dental health month, and a celebration of literacy. If any of our families have something they would like to contribute, please let us know.

We look forward to a busy and fun month!!
