OUR LEARNING

focus...

We finished up our Creative Curriculum Sign Unit at the end of March. We had a good time learning about signs and we are now able to recognize quite a few. We worked very hard on learning our letters B, I, and D. Lucky visited our room this St. Patrick's Day and it was quite fun!

The month of April is another exciting month at Small Wonder. The month starts off with Week of the Young Child. During the week we will have Music Monday, Tasty Tuesday, Artsy Thursday, and Family Friday. Of course we have Easter the first weekend of the month and our center will be open however on Friday, April 7 there will be no preschool. The end of the month will be ending with our Parent Appreciation week. We will send out information as soon as we have plans formalized. The Yellow Room this month is starting our Creative Curriculum Tubes and Tunnels Unit. Our letters of the month will be E, F, and G. We will continue working on numbers 1-20.

Reminders

Please continue to keep your child's winter gear here at Small Wonder.
